

SCORPION 10 PRO Windows

Industrial-grade rugged tablet with 10.1-inch high-brightness display and powerful Intel® Core™ i5 CPU

SCORPION 
RUGGED TABLET & HANDHELD SOLUTIONS

Features

- Intel® Core™ i5-1235U Deca Core processor
- Windows 11 operating system
- Dual capacity battery design
- High-brightness display (700 nits)
- IP65 protection and MIL-STD-810G certification

SCORPION 10 PRO Windows: Extremely robust tablet with superior protection

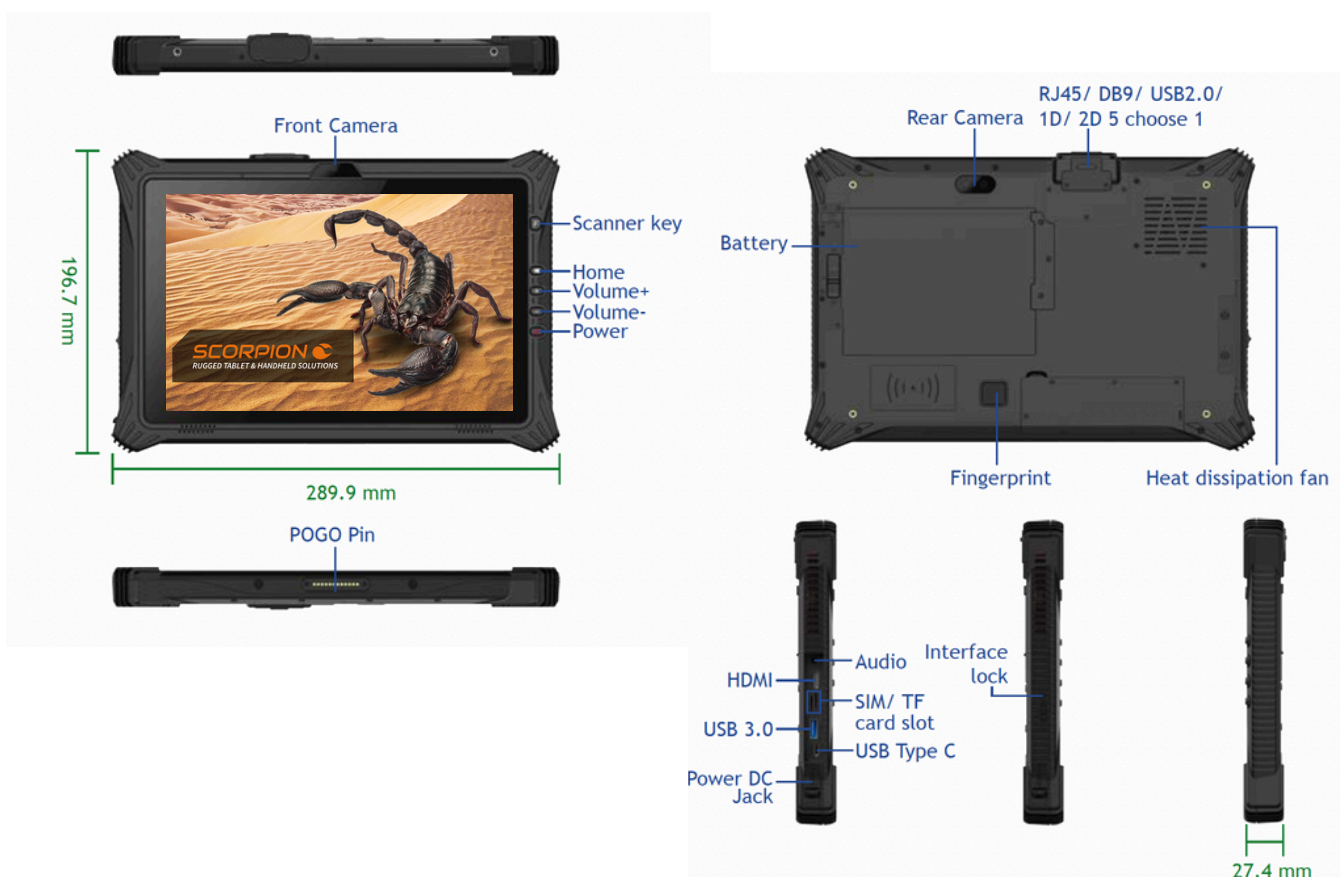

Experience the SCORPION 10 PRO - the 10.1-inch tablet that will see you through the most demanding operations while delivering absolute top performance. Designed for challenging tasks in logistics, warehouse optimization and emergency monitoring, this rugged tablet offers the perfect balance between performance and resilience.

Maximum performance with Intel® 12th Gen. Core™ processor

Inside the SCORPION 10 PRO beats the heart of an Intel® 12th Gen. Core™ processor, which guarantees effortless multitasking and fast response times. Combined with the Windows operating system, you experience intuitive control and maximum productivity - whether you are checking stock in the warehouse or working in extreme conditions.

The SCORPION 10 PRO supports GNSS, Wi-Fi 6, Bluetooth 5.1 and 4G, so you can stay online anytime, anywhere. The dual hot-swappable battery enables uninterrupted operation, even during intensive use. The device is also drop-resistant up to a height of 1.22 meters and MIL-STD-810G certified, making it a real workhorse - whether you're carrying out stocktaking in the warehouse or retrieving vital information as a firefighter.
